the 4th Inst. denying my request for
passports for seven colored persons
who say that if satisfied of the
fact they were free and born in
the United States the Department
would give a certificate to that
effect. I would now enquire
what other and further proof was
necessary on the part of the appli-
cants to obtain the certificate since
I promised them when they asked
that I would forward their Passports
by the next Steamer.

As I am unable to do that
I am desirous to do what I can

I forwarded to the Department
the Affidavit of each applicant that
he was born in the United States

that the facts stated by them were

Dear Sir!

Enclosed you will find the certificate of naturalization of Mr. Adam Preb of our place whose son Jacob Preb wishes to go to Europe and for that purpose to obtain a passport, and as his father was a citizen before his son Jacob was of the age of 21 years, he thereby became a citizen also, without taken out a certificate of naturalization under the abstracts of the Laws of the U. S. in relation to the naturalization of Aliens of Sec. 12. of said act.

I would also in connection state that, I have been acquainted with the said Adam Preb and his son ever since they live here for the last nine years, and have seen them nearly every week, from that fact I thought it unnecessary to annex an affidavit to prove the connection.

Done at the City of Philadelphia, the

Edward Hurst.
Notary Public.

Received 16. Nov. Mr. Chapman
J. A. Thomas Esq. for file.
Assistant Secretary.

Dear Sir! New York Nov. 17/56.

I learn by your letter of the 13th inst., that the Department of State has satisfactory evidence, that I have issued a passport to a person not a citizen of the U. S., and without any right or authority, to grant such a paper to any one whether a citizen or not, and that the Secretary has deemed it his duty, to call the attention of the Governor of N. Y. to my proceedings in regard to passports.

Having no doubt, that the Secretary will hear my explanation of this case, I take the liberty to direct this letter to yourself. It happens nearly every week, that Germans, going to Europe, not being citizens of the U. S., apply at my office as well as at the office of the other German Notaries for Passports. Since the law grants passports only to citizens of the U. S., these Germans are in great embarrassment, for the law of their country requires them, to bring with them a passport of the

U. S., while the law of this country denies them a passport, unless they are citizens. To avoid this embarrassment, one of the German Notaries, by the name of William Schlueter, caused Certificates in the English language to be printed, for the use of such persons, who are not citizens. This English paper is used by most of the German Notaries of this city, and when I got my commission as a Notary and had an application for a passport for a person not a citizen, I asked one of my fellow Notaries, what I should do in such a case, when he gave me that Schlueter's paper. I however made use of it only in two cases, because I was not sure, whether I had the right to use that kind of passports.

I therefore took counsel with some persons better acquainted with the law as well as with the Bavarian Consul, Mr G. H. Simon. Y. Chambers and asked their opinion what could be done for such persons, who are

not citizens of the U. S. but are obliged by the laws of their country to bring a passport with them. My advisers thought it the best way to have a paper printed in the German language, which is no passport, but a certificate of good behavior, together with an annexed description, which would as well do in Germany as a regular passport. There seems to be no question, that a Notary Public can issue certificates of good behavior.

By submitting this explanation to the Secretary, you will do me a great favor. If I have made a mistake, I did it unknowingly, not with a bad will. My character as a gentleman and as a minister of the gospel should have prevented any such suppositions.

I am Sir, very respectfully

Your obedient servant

D^r Charles Nanz

Dear Sir!

Enclosed you will find the certificate of naturalization of Mr. Adam Preeb of our place whose son Jacob Preeb wishes to go to Europe and for that purpose to obtain a passport, and as his father was a Citizen before his son Jacob was of the age of 21 years, he thereby became a Citizen also, without taken out a certificate of naturalization under the abstracts of the laws of the U. S. in relation to the naturalization of Aliens of Sec. 12. of said act.

I would also in connection state that, I have been acquainted with the said Adam Preeb and his son ever since they live here for the last nine years, and have seen them nearly every week, from that fact I thought it unnecessary to annex an affidavit to prove the connection.

Rev. Bro. Wm. Mr. Chapman,
J. A. Thomas Esq. *for file*,
Assistant Secretary.

Dear Sir! New York Nov. 17/56.

I learn by your letter of the 13th inst., that the Department of State has satisfactory evidence, that I have issued a passport to a person not a citizen of the U. S., and without any right or authority, to grant such a paper to any one whether a citizen or not, and that the Secretary has deemed it his duty, to call the attention of the Governor of N. Y. to my proceedings in regard to passports.

Having no doubt, that the Secretary will hear my explanation of this case, I take the liberty to direct this letter to yourself. It happens nearly every week, that Germans, going to Europe, not being citizens of the U. S., apply at my office as well as at the office of the other German Notaries for Passports. Since the law grants passports only to citizens of the U. S., these Germans are in great embarrassment, for the law of their country requires them, to bring with them a passport of the

U. S., while the law of this country denies them a passport, unless they are citizens. To avoid this embarrassment, one of the German Notaries, by the name of William Schlueter, caused Certificates in the English Language to be printed, for the use of such persons, who are not citizens. This English paper is used by most of the German Notaries of this city, and when I got my commission as a Notary and had an application for a passport for a person not a citizen, I asked one of my fellow Notaries, what I should do in such a case, when he gave me that Schlueter's paper. I however made use of it only in two cases, because I was not sure, whether I had the right to use that kind of passports.

I therefore took counsel with some persons better acquainted with the law as well as with the Bavarian Consul, Mr G. H. Siemenz. Chambers and asked their opinion what could be done for such persons, who are

not citizens of the U. S. but are obliged by the laws of their country to bring a passport with them. My advisers thought it the best way to have a paper printed in the German language, which is no passport, but a certificate of good behavior, together with an annexed description, which would do in Germany as a regular passport. There seems to be no question, that a Notary Public can issue certificates of good behavior.

By submitting this explanation to the Secretary, you will do me a great favor. If I have made a mistake, I did it unknowingly, not with a bad will. My character as a gentleman and as a minister of the gospel should have prevented any such suppositions.

I am Sir, very respectfully

Your obedient servant

Dr Charles Nanz

Secy of State -

Your Excellency.

I am about to visit England, for the purpose of selling some property which has been left to my family. As there are a number of heirs, a power of Attorney from each will be executed to me. Their acknowledgements will be taken by a properly constituted authority, but it has been suggested to me by a number of friends, that by adopting some means to prove more fully my identity, I would find my designs vastly expedited. Having no connection abroad, save those to whom I shall bear letters of introduction, I have presumed to ask for a Courier's passport, as a bearer of despatches, as that office will furnish a certificate in itself, and aid me materially.

I do not ask the appointment from any pecuniary consideration but solely as forming a positive means of identification.

As there are a number of persons in indifferent circumstances waiting anxiously for the termination of my mission, economy of time is eminently desirable. This may be secured by your kind consideration & favor.

I purpose leaving by the Steamer of 20th proximo, provided that the Department can command me thus early, or as soon thereafter as may seem to you desirable.

The names of the gentlemen who have kindly herewith seconded my application to your Excellency, are I doubt not well known to you. I am proud to have it to say, that my humble efforts in the good cause in which they are prominent, have met a recognition from them - a cause which has again

achieved a national triumph. Trusting that you may be able to further my views, if entirely consistent with your own, and begging to express my sincere respect

I remain

P. S. I have been informed that you have recently established a rule, giving pursers of Steamships the despatches. I hope that it may not be out of your power to vary in this particular for the reasons above set forth.

Newark New Jersey
Dec. 6. 1856

Hon. Wm. L. Marey
Secy of State
Sir -

I enclose here -
with two applications for Passports -
One for Mr. Jesse Baldwin &
family of this City, and the other for
his wife & family -

The reason of these unusual
applications is this - Mrs. Baldwin
is an invalid - and has been some-
what suddenly advised by her phy-
sicians to make a voyage abroad.
It is somewhat uncertain as
yet whether her husband will
accompany her. But as she intends

sailing by the steamer of next week
and as the time is somewhat
short for procuring passports, we
conclude that it is better to
make two applications. In
case her husband accompany her
the other will be returned if so
directed by the Department.

Hon. Wm. Wright of the U.
S. Senate - & Hon. C. C. McPherson
members of the H. of Rep. are both
cognizant of the circumstances of
the case.

I respectfully ask the early
attention of the Department to
these applications -

Yours respectfully
Your obedient servt.

2 déclarations d'intention pour obtenir le Citizenship, l'une de lui-même et l'autre de son fils, tous les deux délivrés au Courthouse de York. Pa le 15 Août 1855.

1 Affidavit que le dit Edouard Van Reuth est son fils, y compris son signalement.

1 Diplôme d'admission de son fils à l'Académie des Beaux-Arts à Dusseldorf en Prusse.

1 Certificat de bonne conduite et d'application à la dite académie.

1 Bulletin d'admission à l'Académie des Beaux-Arts à Anvers en Belgique.

Que dans une réponse de votre département en date du 3 sept, la demande fut rejetée, comme étant contraire aux Lois des Etats-Unis

à Washington D.C.

Que son fils eut l'honneur de se présenter en personne
à votre Excellence le 23 de ce mois, avec l'appui de
personnes honorablement connues, pour obtenir, le cas
échéant, votre protection à l'étranger - mais que votre
Excellence a persisté dans sa manière de voir.

Qu' alors son fils a réclamé les documents joints à la let-
tre du 2 Septembre détaillés ci-haut, et que l'employé
chargé de cette correspondance a répondu les avoir
renvoyés dans sa missive du 3 Septembre dont il
est question ci-contre.

Que le dit employé doit être dans l'erreur, comme
le prouve la copie ci-jointe de la dite missive.

Et qu'en conséquence le soussigné prie votre Excellence
de vouloir faire faire des recherches après ces papiers -
dont quelques uns peuvent être en Europe de grand
utilité à son fils, qui doit s'y rendre et s'y perfec-
tionner dans son art s'il ne veut voir sa carrière
brisée.

Et qu'enfin il se permet encore de supplier votre
Excellence d'accorder un "Protection paper" à son

Your communication under date of September 2^d 1856, in which you request a Passport for your son Edward has been received.

In reply I have to inform you that Passports are issued by this Government only to native born or naturalized Citizens of the United States; your son having only declared his intention to become a citizen of the United States, is therefore not qualified to claim such protection as would be guaranteed by a Passport from this department.

Dear S. H. Haines

My dear Sir. I am contemplating a trip South with my wife and Mrs. Sidney Shepard, and may go to Havana, in which latter case a passport will be necessary. May I trouble you to procure one for the party from the State Department? I send herewith what I am informed is a proper description of my person. I am informed that one passport for "Osamu H. Marshall, his wife & niece" will be sufficient, & save some expense for Consul fees which would attend one for each of the party. Your knowledge of the Citizenship of the parties & vouches therefor, will, I suppose, dispense with any affidavit or other proof. We were all born in the United States. If the endorsement of the passport by the Spanish Minister would facilitate our entrance into the Spanish dominions, please procure it, if entirely convenient and regular.

We expect to leave here about the 10th so there is no time to lose in forwarding the papers.

Keep a memo of any fees. We go by way of New Orleans, if the river is open, if not,

them via New York for Steamers to Havana
or via Charleston. I could not trouble
you in this matter, but I fear, if I write
directly to the Department, that there will
not be time to get a return before we
leave, should the business lay over at all
in Washington.

I take the liberty of enclosing to you herewith the application of Josiah Q. Priest for a passport.

Some forms are drawn up by me from my recollection of the preliminaries I myself supplied with some two years since for a like purpose. I trust if there should be any defect in the forms they will be overlooked unless they are of too great magnitude, for the party designs sailing in a vessel from this port on Thursday of the present week for Sicily, and it would be a great inconvenience to him to sail without his passport.
